Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of such committee may be taken without a meeting if all members of such committee consent in writing to the adoption of a resolution authorizing the action. The resolution and the written consents thereto by the members of the committee shall be filed with the minutes of proceedings of such committee.

Any one or more members of such committee may participate in a meeting of the committee by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting by such means shall constitute presence in person at the meeting.
Section 3. Service of Committees. Each committee of the Board of Directors shall serve at the pleasure of the Board. The designation of any such committee and the delegation thereto of authority shall not alone relieve any director of his duty under law to the Corporation.

Section 4. Records. Minutes shall be kept of each meeting of each committee. Copies of the minutes of each such meeting shall be filed with the corporate records.

Section 5. Standing Committees. The Corporation shall have five (5) Standing Committees.

h. Executive Committee. The Executive Committee shall consist of the Chair, the Vice Chair, the Secretary and the Treasurer. The Executive Committee shall oversee the day-to-day affairs of the Corporation, meet between meetings of the Board of Directors, as requested by the Chair, and make interim policy and business decisions as is necessary to conduct the timely affairs of the Corporation.

i. Legislation Committee. The Legislation Committee shall consist of not more than five (5) members appointed annually by the Chair and approved by the Board of Directors. The Legislation Committee shall record its position on proposed legislation with the local and state legislatures and/or the Congress of the United States, and/or with any official of local, state, and/or federal governments, or any agency thereof. The members of the Legislation Committee shall each serve a one (1) year term.

j. Grievance Committee. The Grievance Committee shall consist of three (3) members appointed by the Chair and approved by the Board of Directors. The Grievance Committee shall consider in the first instance all complaints referred to it by the Corporation. The members of the Grievance Committee shall each serve a one (1) year term.

k. Finance Committee. The Finance Committee shall consist of the Treasurer, the Chief Financial Officer, and three (3) members of the Board of Directors appointed by the Chair and approved by the Board of Directors. The Finance Committee shall perform a proper audit by a Certified Public Accountant (CPA) at least once per fiscal year, in accordance with the rules and regulations stated herein. The Finance Committee shall present the results of such audit to the Board of Directors immediately following its receipt. The Finance Committee shall also prepare the budget for the calendar and fiscal year following the period of appointment. The Finance Committee shall meet at the direction of the Chair. The three (3) appointed members of the Finance Committee shall each serve a one (1) year term.

l. Nominating Committee. The Nominating Committee shall consist of five (5) members appointed by the Chair. The Chair shall not serve on the Nominating Committee.
ARTICLE IX.
INDEMNIFICATION AND INSURANCE

Section 1. Authorized Indemnification. Unless clearly prohibited by law or Section 2 of this Article, the Corporation shall indemnify any person ("Indemnified Person") made, or threatened to be made, a party in any action or proceeding, whether civil, criminal, administrative, investigative or otherwise, including any action by or in the right of the Corporation, by reason of the fact that he or she (or his or her testator or intestate), whether before or after adoption of this Section, (a) is or was a Director or officer of the Corporation, or (b) in addition is serving or served, in any capacity, at the request of the Corporation, as a Director or officer of any other Corporation, or any partnership, joint venture, trust, employee benefit plan or other enterprise. The indemnification shall be against all judgments, fines, penalties, amounts paid in settlement (provided the Corporation shall have consented to such settlement) and reasonable expenses, including attorneys’ fees and costs of investigation, incurred by an Indemnified Person with respect to any such threatened or actual action or proceeding, and any appeal thereof.

Section 2. Prohibited Indemnification. The Corporation shall not indemnify any person if a judgment or other final adjudication adverse to the Indemnified Person (or to the person whose actions are the basis for the action or proceeding) establishes, or the Board of Directors in good faith determines, that such person’s acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated or that he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled.

Section 3. Advancement of Expenses. The Corporation shall, on request of any Indemnified Person who is or may be entitled to be indemnified by the Corporation, pay or promptly reimburse the Indemnified Person’s reasonably incurred expenses in connection with a threatened or actual action or proceeding prior to its final disposition. However, no such advancement of expenses shall be made unless the Indemnified Person makes a binding, written commitment to repay the Corporation, with interest, for any amount advanced for which it is ultimately determined that he or she is not entitled to be indemnified under the law or Section 2 of this Article. An Indemnified Person shall cooperate in good faith with any request by the Corporation that common legal counsel be used by the parties to such action or proceeding who are similarly situated unless it would be inappropriate to do so because of actual or potential conflicts between the interests of the parties.

Section 4. Indemnification of Others. Unless clearly prohibited by law or Section 2 of this Article, the Board of Directors may approve Corporation indemnification as set forth in Section 1 of this Article or advancement of expenses as set forth in Section 3 of this Article, to a person (or the testator or intestate of a person) who is or was employed by the Corporation or who is or was a volunteer for the Corporation, and who is made, or threatened to be made, a party in any action or proceeding, by reason of the fact of such employment or volunteer activity, including actions undertaken in connection with service at the request of the Corporation in any capacity for any other Corporation, partnership, joint venture, trust, employee benefit plan or other enterprise.
Section 5. Determination of Indemnification. Indemnification mandated by a final order of a court of competent jurisdiction will be paid. After termination or disposition of any actual or threatened action or proceeding against an Indemnified Person, if indemnification has not been ordered by a court the Board of Directors shall, upon written request by the Indemnified Person, determine whether and to what extent indemnification is permitted pursuant to these By-laws. Before indemnification can occur the Board of Directors must explicitly find that such indemnification will not violate the provisions of Section 2 of this Article. No Director with a personal interest in the outcome, or who is a party to such actual or threatened action or proceeding concerning which indemnification is sought, shall participate in this determination. If a quorum of disinterested Directors is not obtainable, the Board of Directors shall act only after receiving the opinion in writing of independent legal counsel that indemnification is proper in the circumstances under then applicable law and these By-laws.

Section 6. Binding Effect. Any person entitled to indemnification under these By-laws has a legally enforceable right to indemnification which cannot be abridged by amendment of these By-laws with respect to any event, action or omission occurring prior to the date of such amendment.

Section 7. Insurance. The Corporation is not required to purchase Directors’ and officers’ liability insurance, but the Corporation may purchase such insurance if authorized and approved by the Board of Directors. To the extent permitted by law, such insurance may insure the Corporation for any obligation it incurs as a result of this Article or operation of law and it may insure directly the Directors, officers, employees or volunteers of the Corporation for liabilities against which they are not entitled to indemnification under this Article as well as for liabilities against which they are entitled or permitted to be indemnified by the Corporation.

Section 8. Nonexclusive Rights. The provisions of this Article shall not limit or exclude any other rights to which any person may be entitled under law or contract. The Board of Directors is authorized to enter into agreements on behalf of the Corporation with any Director, officer, employee or volunteer providing them rights to indemnification or advancement of expenses in connection with potential indemnification in addition to the provisions therefore in this Article, subject in all cases to the limitations of Section 2 of this Article.

ARTICLE X.
CONFLICTS OF INTEREST

Section 1. Definition of Conflicts of Interest. A conflict of interest will be deemed to exist whenever an individual is in the position to approve or influence Corporation policies or actions which involve or could ultimately harm or benefit financially: (a) the individual; (b) any family member (spouse, domestic partner, grandparents, parents, children, grandchildren, great grandchildren, brothers or sisters (whether whole or half blood), and spouses of these individuals); or (c) any organization in which he or a family member is a director, trustee, officer, member, partner or more than 10% of the total (combined) voting power. Service on the board of another not-for-profit corporation does not constitute a conflict of interest.
Section 2. Disclosure of Conflicts of Interest. A Director or officer shall disclose a conflict of interest: (a) prior to voting on or otherwise discharging his duties with respect to any matter involving the conflict which comes before the Board or any committee; (b) prior to entering into any contract or transaction involving the conflict; (c) as soon as possible after the Director or officer learns of the conflict; and (d) on the annual conflict of interest disclosure form.

The Secretary of the Corporation shall distribute annually to all Directors, officers and key employees (as identified by the Corporation), a form soliciting the disclosure of all conflicts of interest, including specific information concerning the terms of any contract or transaction with the Corporation and whether the process for approval set forth in this policy was used. Such disclosure form may require disclosure of other relationships that may not constitute an actual conflict of interest, but which are required to be disclosed in order for the Corporation to comply with its annual reporting requirements.

Section 3. Approval of Contracts and Transactions Involving Potential Conflicts of Interest. A Director or officer who has or learns about a potential conflict of interest should disclose promptly to the Secretary of the Corporation the material facts surrounding any potential conflict of interest, including specific information concerning the terms of any contract or transaction with the Corporation. All effort should be made to disclose any such contract or transaction and have it approved by the Board before the arrangement is entered into.

Following receipt of information concerning a contract or transaction involving a potential conflict of interest, the Board shall consider the material facts concerning the proposed contract or transaction, including the process by which the decision was made to recommend entering into the arrangement on the terms proposed. The Board shall approve only those contracts or transactions in which the terms are fair and reasonable to the Corporation and the arrangements are consistent with the best interests of the Corporation. Fairness includes, but is not limited to, the concepts that the Corporation should pay no more than fair market value for any goods or services which the Corporation receives and that the Corporation should receive fair market value consideration for any goods or services that it furnishes others. The Board shall set forth the basis for its decision with respect to approval of contracts or transactions involving conflicts of interest in the minutes of the meeting at which the decision is made, including the basis for determining that the consideration to be paid is fair to the Corporation.

Section 4. Validity of Actions. No contract or other transaction between the Corporation and one or more of its Directors or officers, or between the Corporation and any other corporation, firm, association or other entity in which one or more of its Directors or officers are directors or officers, or have a substantial financial interest, shall be either void or voidable for this reason alone or by reason alone that such Director or Directors or officer or officers are present at the meeting of the Board of Directors, or of a committee thereof, which authorizes such contract or transaction, or that his or their votes are counted for such purpose, if the material facts as to such Director’s or officer’s interest in such contract or transaction and as to any such common directorship, officership or financial interest are disclosed in good faith or known to the Board or committee, and the Board or committee authorizes such contract or transaction by a vote sufficient for such purpose without counting the vote or votes of such interested Director or officers. Common or interested Directors may be counted in determining the presence of a
quorum at a meeting of the Board of Directors or committee which authorizes such contract or transaction. At the time of the discussion and decision concerning the authorization of such contract or transaction, the interested Director or officer should not be present at the meeting.

Section 5. Employee Conflicts of Interest. An employee of the Corporation with a potential conflict of interest in a particular matter shall promptly and fully disclose the potential conflict to his supervisor. The employee shall thereafter refrain from participating in deliberations and discussion, as well as any decisions, relating to the matter and follow the direction of the supervisor as to how the Corporation decisions which are the subject of the conflict will be determined. The Chair shall be responsible for determining the proper way for the Corporation to handle Corporation decisions which involve unresolved employee conflicts of interest. In making such determinations, the Chair may consult with legal counsel.

The Chair shall report to the Board at least annually concerning employee conflicts of interest which have been disclosed and contracts and transactions involving employee conflicts which the Chair has approved.

ARTICLE XI.
COMPENSATION

Section 1. Reasonable Compensation. It is the policy of the Corporation to pay no more than reasonable compensation for personal services rendered to the Corporation by officers and employees. The Directors of the Corporation shall not receive compensation for fulfilling their duties as Directors, although Directors may be reimbursed for actual out-of-pocket expenses which they incur in order to fulfill their duties as Directors. Expenses of spouses will not be reimbursed by the Corporation unless the expenses are necessary to achieve a Corporation purpose.

Section 2. Approval of Compensation. The Corporation may, but is not required to, pay compensation to individuals who serve as officers of the Corporation. If compensation is paid to officers, then the Board of Directors must approve in advance the amount of such compensation.

Before approving the compensation of an officer, the Board shall determine that the total compensation to be provided by the Corporation to the officer is reasonable in amount in light of the position, responsibility and qualification of the officer for the position held, including the result of an evaluation of the officer’s prior performance for the Corporation, if applicable. In making the determination, the Board shall consider total compensation to include the salary and the value of all benefits provided by the Corporation to the individual in payment for services. At the time of the discussion and decision concerning an officer’s compensation, the officer should not be present in the meeting. The Board shall obtain and consider appropriate data concerning comparable compensation paid to similar officers in like circumstances.

The Board shall set forth the basis for its decisions with respect to compensation in the minutes of the meeting at which the decisions are made, including the conclusions of the evaluation and the basis for determining that the individual’s compensation was reasonable in light of the evaluation and the comparability data.
ARTICLE XII

The corporate seal shall be circular in form, shall have the name of the Corporation inscribed thereon and shall contain the words “Corporate Seal” and “Delaware” and the year the Corporation was formed in the center, or shall be in such form as may be approved from time to time by the Board of Directors.

The Board of Directors shall determine who shall be authorized from time to time on the Corporation’s behalf to sign checks, drafts, or other orders for payment of money; to sign acceptances, notes, or other evidences of indebtedness; to enter into contracts; or to execute and deliver other documents and instruments.

The Corporation shall keep at its office correct and complete books and records of account, the activities and transactions of the Corporation, minutes of the proceedings of the Board of Directors and any committee of the Corporation, and a current list of the directors and officers of the Corporation and their residence addresses. Any of the books, minutes and records of the Corporation may be in written form or in any other form capable of being converted into written form within a reasonable time.

Section 5. Loans to Directors and Officers. No loans other than through the purchase of bonds, debentures, or similar obligations of the type customarily sold in public offerings, or through ordinary deposit of funds in a bank, shall be made by the Corporation to its directors or officers, or to any other corporation, firm, association or other entity in which one or more of its directors or officers are directors or officers or hold a substantial financial interest, either directly or indirectly, except loans made to another corporation defined as a nonstock corporation under Delaware General Corporation Law.
